Detailed description of the change

Technical description – purpose

Materials off the roll: switch from plastic turn-and-lock packaging to cardboard boxes

Technical description – detail

In order to eliminate unnecessary plastic waste, in 2020 we will be successively switching the packaging for all of our materials off the roll, which are currently delivered in plastic turn-and-lock packaging, to environmentally friendly cardboard boxes. This will not only make handling and storage easier, but also make it easier to dispose of the outer packaging later on.

Identifying characteristics

Change to the packaging – cardboard boxes to replace plastic turn-and-lock packaging

Detailbeschreibung der Änderung

Technische Beschreibung - Zweck

Rollenmaterialien: Umstellung von Kunststoff-Drehschlussverpackungen auf Pappkartons

Technische Beschreibung - Detail

Um unnötigen Kunststoffmüll zu vermeiden, werden in 2020 sukzessiv sämtliche Rollenmaterialien, die derzeit in einer Kunststoff-Drehschlussverpackung ausgeliefert werden, auf umweltfreundliche Pappkartons umgestellt. Dies erleichtert nicht nur die Handhabung und Lagerung, sondern auch die spätere Entsorgung der Umverpackungen.
