<b>Title / short description</b>	Material change for spring levers
<b>Affected article category</b>	PCB terminal blocks and PCB connectors
<b>Change category</b>	Material
<b>Change number</b>	NAA200003-00

**Purpose/objective of the change**

Material change for spring levers

**Detailed description of the change**

As part of our continuous product improvement process and, in particular, to ensure supply capability within our globally networked supply chains, the plastic material of the spring levers is being changed from PBT to a higher grade, fiberglass-reinforced PBT material. Due to impending production downtime, the material has already been in use since calendar week 16. The technical properties of the connectors are not affected by this change and therefore remain unaltered.
