

Product Change Notification

PCN-ICC-6809-2021

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
ICC - Industrial Cabinet	BE4	Product Change Notification	Notify Distributors and Field	5/3/2021

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

Phoenix Contact operates a continuous improvement process throughout its product creation and manufacturing chain. So that we can continue to meet the increasing global demand of our customers in future, we are relocating production for the aforementioned items. **The product relocation has absolutely no effect on the dimensions, technical data, color, approvals, or functionality.**

This product will see a change in country of origin from China to India.

Stock Status

Can existing stock still be used?

Is mixture of stock acceptable?

Transaction Dates

Date modification goes into effect from Germany:

10/31/2021

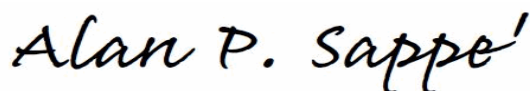

Expected first shipment (from Phoenix Contact) of the modified products(s):

Should you have any issues with the timeline or content of this product change, please contact Phoenix Contact using the information below. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN; provided, however, that the failure to acknowledge receipt does not affect the product change or the effective date thereof.
