

Pointed pliers - MICROFOX-R ESD - 1212481

Please be informed that the data shown in this PDF Document is generated from our Online Catalog. Please find the complete data in the user's documentation. Our General Terms of Use for Downloads are valid (<http://phoenixcontact.com/download>)

ESD electronic round-nose pliers, smooth grip, with opening spring, non-reflective coating and phosphate-treated, 2-component grip

Your advantages

- Ergonomically designed two-component handles for fatigue-proof and non-slip use
- Opening spring for uniform, smooth opening
- Mirror-polished and phosphate-treated metal surfaces for optimum rust protection and no glare when working
- Made from special high-grade tool steel
- Screwed precision-joint for permanent stability and optimum results
- The special conductive plastic handles ensure slow and safe removal of electrostatic energy according to standards and directives such as DIN EN 61340-5
