# Replacement Type Definition

---

DIRECT  
REPLACEMENT

Exact same part in a different package size, or has any other update that doesn't change the product itself

COMPATIBLE

The replacement part is different in a way that allows it to be used for some applications, but it is not the same part. The difference can be in color, size, material, or performance (like *CAT5 to CAT6*), etc.

COMPLEX

The replacement part(s) are too dissimilar to assume it can easily replace the discontinued part, however Panduit can offer a replacement which may be used in certain applications. Customer Experience should be contacted.

NO REPLACEMENT

No replacement product is available.
