

PRODUCT CHANGE NOTIFICATION

Product Category COPPER CONNECTORS **20240110-1**

Product Group ENTERPRISE CONNECTIVITY

ISSUE DATE: 10-Jan-24

IMPACTED REGIONS: NA EMEA LATAM AP

REASON FOR CHANGE: DISCONTINUATION
 OTHER

DESCRIPTION OF CHANGE: (Required)

Panduit is implementing a change to the packaging of our Copper Connectivity product line in order to continue towards our goal of providing more sustainable solutions. The change will affect a large portion of our individually packed copper connectivity products. The updated packaging focuses on a reduction in single-use plastics and will not affect product performance. The overall height of the bag will be reduced by 1 inch (~25mm) which will result in the removal of the merchandising hang hole in the top portion of the bag. This packaging update will be a running change, so some mixed inventory of old and new bags may be experienced. Our commitment to delivering high-quality jack modules remains unchanged.

Overall bag dimensions will change from 6.5" H x 4" W to 5.5" H x 4" W. See images to the right.

IMPACTED PART NUMBERS AND REPLACEMENT PART NUMBERS: (where applicable)
