Affected products

See affected product families in appendix.

Description of change

Product packing using plastic tray instead of existing cardboard trays.

Box size adapted to standardized packaging in PRU Lamphun. Box/Tray quantity remains identical.

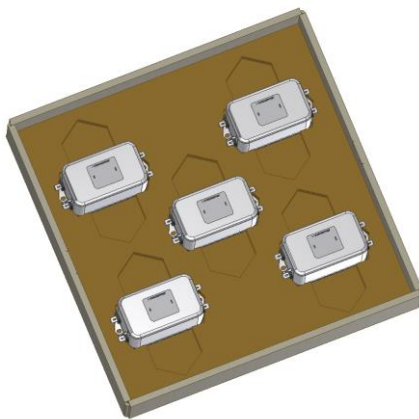

Figure 1: Example of old tray

Figure 2: Example of new tray

Reason for change

To ensure continuity of supply and on-time delivery.

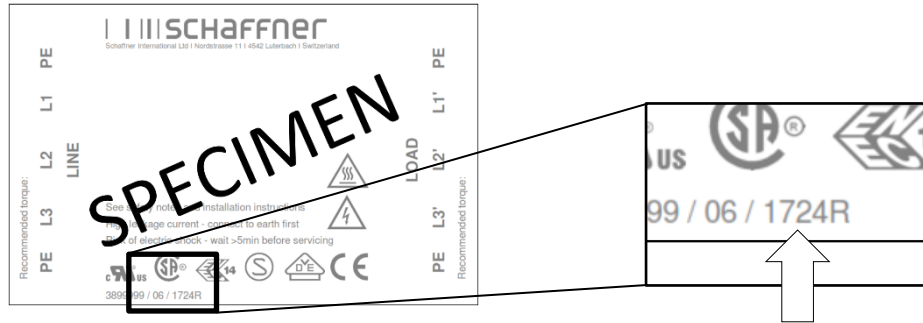

Impact for the customer

No impact on specifications or performance of product. No functional change of packaging.

Identification

Identification will be possible with lot number or date code.

Estimated Schedule

Expected date of first manufacturing acc. new design:

production site	encoded date	production date code
Thailand	2021 CW40	2140

Dependent on depletion of current inventory of material, customer may continue to receive current material beyond the planned "first manufacturing new design".
