New packaging quantity for fuse drawers

SCHURTER strives to always offer the best delivery service to its customers. Therefore, we changed the packaging quantity of our fuse drawers for power entry modules and offer additional two different packaging units.

The high runners of our fuse drawers 2 [1] are available in two different packaging unit of 50 pcs. and 10 pcs. The packaging quantity of 50 pcs. fits perfectly with power entry modules that often have also a packaging unit of 50 pcs. The packaging with 10 pcs. is good for power entry modules with filters that often have the same packaging quantity.

The packaging change was communicated with SCHURTER's product change notification [M1360](#)

List of affected part numbers

Description	Packaging unit 50 pcs	Packaging unit 10 pcs
Fuse drawer 2 pole fingergrip	4301.1401	3-131-404
