

1 Products affected:

Metal Switch, Latching Action MSM LA

Schurter part numbers:

1241.6821.1110000 - 1241.6834.1124000

2 Type of Change:

Due to a redesign of the MSM LA, there is an extension of the versions and specifications.

For the transition period until the end of the year, the modified MSM LA types are marked by adding the batch number with "M".

3 Extended versions:

Metal Switch, Latching Action with Point Illumination or Lettering

New Point Illumination

New Lettering

In addition to a large selection of standard symbols, also customer-specific characters can be provided.

A detailed quantity-based price specification is available on request (offer basis).

Availability: The MSM LA PI is available from calendar week 5/2009.

4 Impact of form, fit and function:

Form: New: point illuminated version / lettering version

Fit: Mounting Depth: from 43.9 mm to 45.7 mm

Function: Actuating Travel: from 4.5 mm to 5.2 mm

Switching Contact: New single-pole version
