

Certificate of Conformance

As of the date of this certificate, Skyworks product part number **SI8271GA-IS** is designated as **Skyworks Green™**. This designation indicates the part meets the following materials content requirements:

- EU RoHS 2 (recast)¹ and RoHS 3² compliant
- PFOS³ compliant
- REACH⁴ compliant (below threshold of SVHC listed materials as of the date of this certificate)
- IEC⁵ 62474 Substance List compliant
- California Proposition 65 - The Prop. 65 regulation requires that reasonable warning be provided if it is reasonably foreseeable that the use of a product will result in a significant exposure. Any Proposition 65 chemicals that may be present in our products are fully encapsulated and we are not aware of any reasonably foreseeable use of our product that would result in a significant exposure to such chemicals.
-  IEC Halogen-Free⁶ compliant
-  Antimony trioxide <1,000 ppm in polymeric materials

1. Directive 2011/65/EU
2. Directive (EU) 2015/863
3. 2006/122/EC
4. EC 1907/2006
5. International Electrical Commission
6. IEC 61249-2-21
