

RoHS Certificate of Compliance

SUBJECT: Any SMSC Device Ordered RoHS Compliant, In Accordance With SMSC's Part Marking & Ordering Procedures

TO: SMSC's Valued Customers

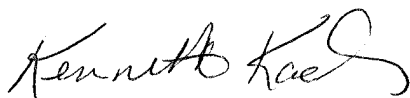

This document certifies that the component/s of the above stated part number, and manufactured by STANDARD MICROSYSTEMS (SMSC), is in compliance with *Directive 2002/95/EC of the European Parliament and of the Council of 27 January 2003*, on the restriction of the use of certain hazardous substances in electrical and electronics equipment (*RoHS Directives*). The stated component/s is/are deemed as compliant as accord to definitions given in the directives (refer to directives).

SMSC certifies that it gathered the information it provides in this compliance form concerning RoHS restrictive substances using appropriate methods to ensure its accuracy and that such information is true and correct to the best of its knowledge and belief, as of the date that SMSC completes this compliance form. SMSC acknowledges that the above Company will rely on this certification in determining the compliance of its products with European Union member state laws that implement the RoHS Directive. Company acknowledges that SMSC may have relied on information provided by others in completing this compliance form, and that SMSC may not have independently verified such information.

However, in situations where SMSC has not independently verified such information provided by others, SMSC agrees that, at a minimum, its suppliers have provided certifications regarding their contributions to the part, and those certifications are at least as comprehensive as the certification in this paragraph.

If Company and SMSC enter into a written agreement with respect to the identified part(s), the terms and conditions of that agreement, including any warranty rights and/or remedies provided as part of that agreement, will be the sole and exclusive source of SMSC's liability and Company's remedies for issues that arise regarding information the SMSC provides in this compliance form. In the absence of such written agreement, the warranty rights and/or remedies of SMSC's Standard Terms and Conditions of Sale applicable to such part(s) shall apply.

All necessary environmental documents are available on our website at www.smsc.com.
