

# PREFORMED JUMPER WIRES

Pre-formed for printed circuit boards

P.V.C., Teflon or Bare  
Custom sizes available  
Packed 1,000 per bag

Low Cost  
Quick delivery  
Large inventory of standard sizes

Cut production cost with preformed jumper wires for all your printed circuit needs. No more wasted time cutting, stripping and bending wire to make your own jumpers.

Board stuffing is easier because every jumper is exactly the same size and shape. There are no ragged insulation ends to cause failure or rejections.

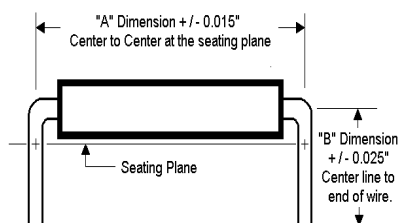

Jumpers are conveniently packaged in bags of 1,000 pieces. We'll ship one bag or a thousand, and sizes can be mixed for quantity discounts. Samples will gladly be sent at your request.

## SPECIAL SIZES

If you need sizes other than those listed, just let us know. Any "A" dimension from 0.1" to 6.0", 22 gauge can be made at no extra charge. Certain other "B" dimensions and wire gauges are also available. Special sizes are normally shipped in a couple of days depending on quantity.

## ORDERING INFORMATION

Insulated jumpers are white in color unless otherwise specified. All wire meets Mil, UL, and CSA specs.
