

REACH

Information regarding Substances of Very High Concern according to REACH Art. 33

The candidate list according to article 59 (1, 10) of Regulation (EC) No. 1907/2006 (REACH) was published the first time on October 28th, 2008 on the website of the European Chemicals Agency (ECHA). Determining whether any of its products contain more than 0.1 percent by weight of the candidate substances is an ongoing process. For this purpose the company is in close contact with its suppliers.

EPCOS monitors the updates of the candidates at a very early stage of the process and updates its product database on SVHC information.

Information Regarding Candidate List as amended on June 15, 2015

To the present and best of our knowledge and based on the information available to us from our suppliers our current products offered, except those listed, do not contain added substances of very high concern (SVHC) above a limit of 0.1 % w/w

Should our state of knowledge change, we will inform you accordingly.
