

20-Mar-2015

PCN #:P-15-011279

Subject:Dynamic Series Connectors

Description of Change: Manufacturing capacity of following Part Numbers will be expanded.

Reason: Product improvement. Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about adding tools. There is no negative influence on quality, ability to supply and form-fit-function of the concerned products. New tool is under a certified quality management system according the standard requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.

Impact of Change:form - fit - function

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
