TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

<b>General Product Description:</b>
VAL-U-LOK

<b>Description of Changes</b>
Manufacturing location change. Following Part Numbers will be transferred.

<b>Reason for Changes:</b>				
Dear Customer, we hereby inform you about a transfer of tools and processes to provide a more continuous efficient supply of product. As a result, the parts noted in this document will be relocating products. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with TE Connectivity standard requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance. A TE-internal release test based on the relevant part specifications will be executed before delivery.
