

13-Dec-2017

PCN #:P-17-015199

Subject:AMPMODU Short Point Contacts

Description of Change: Manufacturing location change. For any orders for an end customer location that is in North America, for the following part numbers, the manufacturing location will change from our TE plant in Suzhou, China to our TE plant in Hermosillo, Mexico. This change only affects orders for an end customer location that is in North America.

Reason: Manufacturing location change. In an effort to aid in responding to customer requests by reducing the lead-time for these contacts, any orders for an end customer location that is in North America, for the following part numbers, the manufacturing location will change from our TE plant in Suzhou, China to our TE plant in Hermosillo, Mexico. Any orders from Europe or Asia Pacific will still be produced at our TE plant in Suzhou, China. There is no transfer of tooling with this location change. We will be utilizing a sister die, that makes the same parts, in our TE plant in Hermosillo, Mexico. All procedures and practices that are followed for any other tool move will be followed for this change. A TE-internal release test based on the relevant part specifications will be executed before delivery. Upon request, a PPAP Level 1 or Level 2 will be available.

Impact of Change:Manufacturing location change
