General Product Description:

To replace P-21-020476. Manufacturing localization of 282105-1& 282106-1 for China and AP Customer demand. TE Suzhou has

Description of Changes

This is issued to replace P-21-020476, therefore P-21-020476 will be obsolete. Following part number will change source from TE Italy into TE Suzhou. 282105-1& 282106-1

Reason for Changes:

Product improvement. Dear Customer, Low cost duplication as well as capacity constraint of TE Italy, the localization was therefore triggered. This localization was strictly executed by following localization procedure, with all required verification successfully done, which guaranteed no negative influence on quality, and form-fit-function on concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
