PCN #:P-14-010680

Subject:New LSR Capacity Mold

Description of Change: TE Connectivity is informing you about the addition of new capacity molds to mold the below listed TE Connectivity Part Numbers. Please contact your TEC Sales Engineer or Customer Service Representative if you have additional questions. The new molds will be located inside TEC. A PPAP will be requested on your behalf by the TE Transition Manager for customers who have purchased product impacted by the change in the past 24 months and have current open sales orders. PPAP include: PSW, Material certification, affected dimensional data from customer drawing & IMDS information.

Reason: Product improvement. Dear Customer, as a result of our continuous strive for improving our delivery and meet our customer's capacity needs, we hereby inform you about the addition of new capacity molds: Mold# 1046710 to mold TE# 828922-x and Mold# 1046711 to mold TE# 828904-x. An internal release based on our specifications will be executed before any parts will be delivered.

Impact of Change:form - fit - function

Key Dates:

Contact By Date:31-Jul-2015
