

02-Dec-2015

PCN #:E-15-017104

Subject:CPC Plug Connector 206437-1

Description of Change: The connector is currently marked with AMP, 206437-1, a date code and country of assembly in white characters using an ink stamping or hot stamping process. This change will allow those same markings to be produced with laser marking, hot stamping or ink stamping. If laser marking is used the markings will not be white in color.

Reason: Product Improvement. The addition of laser marking will allow TE to continually meet the lead-time requirements desired by our customers.

Impact of Change:form - fit - function

Key Dates:

Contact By Date:15-Jun-2016

Implementation Date:15-Jun-2016

Product Affected

206437-1

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the

TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
