

24-Feb-2016

PCN #:P-16-012647

Subject:025 ECU PLUG HSG ASSY

Description of Change: Manufacturing location change. Following part numbers will be transferred from TE-Japan to TE-Thailand. This change is applicable for the customers outside Japan - for Japanese customer the supply source will remain the same from original Japanese tools.

Reason: Dear Customer, we hereby inform you about a transfer of tools and/or processes. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard automotive requirements. A TE-internal release test based on the relevant part specifications will be executed before delivery. Upon request, a PPAP Level 2 will be available if it concerns a transfer of a tool which produces a finished TE-product. If you require a PPAP, please contact following responsible members for the concerned matter; Mr. Yoshiaki Muramatsu (Muramatsu.yoshiaki@te.com) and Takafumi Saito (saito.takafumi@te.com) after receipt of this PCN.

Impact of Change:Manufacturing location change

Key Dates:

Contact By Date:02-May-2016

Implementation Date:02-May-2016

Product Affected

1318389-1

1318386-1

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary

from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
