PCN #:P-16-012745

Subject:Additional Capacity

Description of Change: This is part of the Global Automotive Localization efforts: capital has been invested to purchase new equipment in order to produce these parts locally in Pegg Road, Greensboro, NC, USA. New shipping location will be NCDC

Reason: Product improvement. Current demand in EMEA has San Salvo out of capacity and with new launch product needing a production location, this additional global capacity is needed in order to retain this revenue within TE.

Impact of Change:form - fit - function
