**Subject:**T&S MANUFACTURING LOCATION CHANGE

**Description of Change:** TE business unit operations are simplifying our manufacturing footprint to provide a more continuous efficient supply of product. As a result, the parts noted in this document will be relocating products from TE Shanghai, China to TE Qingdao, China under the same certified quality management system.

**Reason:** Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a transfer of tools and/or processes. The transfer is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
