

04-Aug-2016

PCN #:P-16-013402

**Subject:**part numbers with plated contacts

**Description of Change:** Following plating part numbers will be transferred from TE Oostkamp to TE Montcada : 704661-1 and 1952153-2.

**Reason:** To ensure the quality level as well as the supply also in future we would like to inform you with this PCN about transfer to an existing line at our TE manufacturing location in Montcada/Spain. This transfer will be performed on the plating-process for parts on component level as well as for finished goods. As this existing line will be technical equivalent to the existing one(s), the process validation- , capability analysis and release will be done TE internal. If you would like to review the planned scenario please contact your Sales/Marketing representative.

**Impact of Change:**Manufacturing location change
