PCN #:P-16-013393

**Subject:**DEUTSCH DRC and HDP Backshells

**Description of Change:** The Industrial & Commercial Transportation (ICT) business unit of TE Connectivity (TEC) is adding alternate TEC approved supplier for the PN s below. TEC-ICT will do its due diligence by requiring a PPAP from the supplier. This supplier has been used extensively in the past by TEC business unit with excellent performance.

**Reason:** Dear Customer, we inform you of this alternate supplier as part of our aggressive continuous improvement efforts on delivery. The alternate supplier process is executed by following TE internal strict procedures, which mitigates quality risk while increasing our ability to supply your products on time. The alternate supplier is governed under a TS16949 certified quality management system according to standard automotive requirements. An internal release based on our specifications will be executed before any parts are delivered.
