

16-Sep-2016
PCN #:E-16-012944

Subject:Terminals and Splices, SOLISTRAND, PLASTIGRIP

Description of Change: Following Part Numbers are going to be changed for body terminal to the equivalent parts. Also manufacturing location is going to be changed from Outside Vendor in Japan to Kauffman Road plant in TE US. With this change, some of parts will have slight difference in its dimension and/or appearance, but has basically same function and performance. For detail on the difference, please check the drawings revised later. And some of parts will have the change on packing quantities as shown in attached pdf file.*****To purchase the parts before change. please place the order by September-30 2016*****

Reason: Manufacturing / Process Requirements. Component and manufacturing change. Dear Customer, as a result of our continuous strive for improving our internal processes, we hereby inform you about a component change. This change is caused by extreme unbalance between actual cost and selling price and it is very difficult to improve that unbalance. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.

Impact of Change:form - fit - function
