**PCN #:**E-16-014323

**Subject:**DEUTSCH HDP Series Cavity Laser Marking

**Description of Change:** Process change. Contact cavities identification marking will use new technology type laser.

**Reason:** Dear customer, we are contacting you to notify you of a process change to the contact cavity identification marking on the rear grommet / family matt seal. We are upgrading the marking lasers to use newer laser technology. The only change you will notice is the way the contact cavity marking looks (see photos on this PCN). This change does not affect fit, form or function. Shipment of both versions may be mixed. **IMPORTANT:** This is a continual improvement so the current and previous revisions of these parts can be used interchangeably in the field. These changes are being phased in gradually and previous revision can remain stocked until use. The product drawings are not affected.

**Impact of Change:**form - fit - function
