TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Production Extension

Description of Changes
Dear Customer, we hereby inform you about a production area extension at a TE Supplier.

Reason for Changes:				
Product improvement.To ensure the quality level as well as the supply also in future we would like to inform you with this PCN about a production area extension with layout optimization at our TE Molding Supplier Alhorn. This change will have based on an internal risk-analysis no significant impact on the processes for parts on component level as well as for finished goods. As the extended area will be equivalent to the existing production area at the same manufacturing location as of today, the process validation- , capability analysis and release will be done TE internal. Therefore this PCN is for your notification only. If you would like to review the planned scenario please contact your Sales/Marketing representative.
