

29-Dec-2016

PCN #:P-16-014003

Subject:MCON 1.2 - LL (SWS)

Description of Change: Manufacturing location change. Following Part Numbers will be transferred from TE Germany wort to TE Suzhou

Reason: Dear customer. we would like to infor you with this PCN about introducing a new duplication prodution tool at our TE manufacturing location in Suzhou.China. The evaluation of new tool is executed by following A strict procedure.which guarantees no negative influence on quality , ability to supply and form-fit-funtion of the concerned products. Manufacturing location is under a certified quality magement system according the standard auto motomotive requirements. An internal release based on our specifications will be executed before any parts will be delivered,which guarantees the performance.Upon request, a PPAP Level 2 will be available if it concerns a transfer of a tool which produces a finished TE-product. A PPAP Level 1 will be available if it concerns a component of a TE-product, where the production location of the finished TE-product remains unchanged. If you require such a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PC
