## Explanation for Production Location Change for Mcon1.2 LL Contact (P/N:7-1452668-1/7-1452665-1/7-1452656-1/7-1452653-1)

1. For China local customer requirement on localization on Mcon1.2LL contact, new duplication production tool transfer to TE Suzhou plant for production to support China market. For this production location change, it will shorten the L/T of delivery time and offer good service in China.
2. The identification of Suzhou production part is that there is “T275” marked on the part as below:
