

18-Oct-2017

PCN #:E-17-014735

Subject:Add laser marking as an option to mark the part number, date code and country of origin to the housings as needed.

Description of Change: The markings are currently applied using ink stamping. The laser marking option has the advantage of being more permanent and easier to apply than ink.

Reason: Product Improvement.

Impact of Change:form - fit - function

Key Dates:

Contact By Date:16-Apr-2018

Implementation Date:16-Apr-2018

Product Affected

208472-1

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE

Connectivity Sales Representative.
