

18-Oct-2017

PCN #:E-17-014552

Subject:DEUTSCH HD10 series plug 6-96S arrangement.

Description of Change: Adding radii to front seal to improve product robustness.

Reason: Product Improvement. Dear Customer, in an effort to continuously improve our products, TE-ICT will be changing the Front seal by adding radii to improve product robustness. This product improvement will not impact other areas of front seal. Shipments of both revisions may be mixed. Product drawing not affected. **IMPORTANT:** This is a continual improvement so the current and previous revisions of these part can be used interchangeably in the field. These changes are being phased in gradually and previous revision can remain stocked until use.

Impact of Change:form - fit - function
