

11-Dec-2017

PCN #:P-17-015178

Subject:Dynamic Series Housing

Description of Change: Manufacturing location change. Following Part Numbers will be transferred from TE ZhuHai plant to TE Suzhou Plant. New plant will start Mass Production on Mar2018. TE will prepare enough stock based on historic volume consumption to support our value customers demand during the plant transition. If any case of further questions or concerns about this transfer, please contact your TE Connectivity Sales Engineer.

Reason: Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a transfer of tools and/or processes. There is no negative influence on quality, ability to supply and form-fit-function of the concerned products. And new facility will provide for expansion and increased process capabilities such as plating requiring infrastructure expansion.

Impact of Change:Manufacturing location change

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
