**PCN #:**P-18-015295

**Subject:**MCON 2P Tab HSG Assy/MQS 3P HSG Assy with cover/JPT/MT II 14P HSG Assy

**Description of Change:** This change was to help alleviate the constraints by adding manual assembly capacity in TE China/Suzhou plant, in order to support respond to demand increase of Asia-Pacific only

**Reason:** Part status change. Dear Customer, As a result of our continuous strive to match the capacity to the market demands, we hereby inform you about a assembly capacity expansion to a 2nd source in TE China/Suzhou plant. Molding of components will stay in EMEA. The additional ASSy line which location in TE China/Suzhou only support to Asia-pacific customer only, and it's temp support aslo. A TE-internal release test based on the relevant part specifications will be executed before delivery. Upon request,a PPAP Level 1/Lever 2 will be available if it concerns a component of a TE-product, where the production location of the finished TE-product remains unchanged. If you require such a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN.

**Impact of Change:**Manufacturing location change
