PCN #:P-18-015360

**Subject:**Manufacturing Location Change of Menlo Park Tubing and Materials Obsolescence and STK UOM change for ATUM (Black) Tubing

**Description of Change:** This is a triple notification for ATUM tubing from TE Connectivity. This informs our customers that TE Connectivity is closing our Menlo Park facility in USA and moving the production to our Trutnov facility in Czech Republic. The receiving facility is already an established Heat Shrinkable Tubing ( Tubing or Products ) manufacturing site manufacturing Tubing since 2008. Also, that the material used in the Jacket of ATUM tubing is changing. Included in this change is a Unit of Measure change for ATUM tubing supplied in -STK (Stick) format.

**Reason:** Dear Customer, As part of the production move after 19th April 2018, we will start to ship ATUM products previously made in Menlo Park USA to the Trutnov facility. After this date TE reserves the right to provide qualified products from any of the manufacturing locations during this transfer until the final closure date of Menlo Park location by the end of 2019. Please note many of the ATUM part numbers are already being manufactured in Trutnov CZ for customers outside of USA. Due to an obsolescence of one of the raw materials used ATUM tubing has also been modified. The Fit, Form and Function has not been changed. IMDS records will be updated at the point of change over to the new material. The adhesive liner has not changed. The tubing continues to meet the requirements of UL224 and the TE Specification RW-2063. Due to the material obsolescence, we have limited stock of material so there is a last order date for the old part numbers of March 19th 2018. Please see attached details.

**Impact of Change:**Manufacturing location change

**Key Dates:**

**Contact By Date:**19-Apr-2018

**Implementation Date:**19-Apr-2018

**Product Affected**

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
