

06-Apr-2018

PCN #:P-18-015325

Subject:Manufacturing Location Change of Menlo Park Appliances Tubing ES2000 Products and UOM change for ES2000 coiled parts

Description of Change: Please note - This PCN supersedes PCN P-17-015222. Due to a system error PCN P-17-015222 may not have been distributed to all concerned. Manufacturing location change. This notification is to inform our customers that TE Connectivity is closing our Menlo Park facility in USA and moving the production to our Trutnov facilities in Czech Republic and our Shanghai facility in China. The receiving facility in Shanghai is already an established Heat Shrinkable Tubing ("Tubing" or "Products") manufacturing site manufacturing Tubing since 1996, and the receiving facility in Trutnov is already an established as a Heat Shrinkable Tubing ("Tubing" or "Products") manufacturing site with Trutnov facility manufacturing Tubing since 2008.

Reason: Dear Customer, we hereby inform you about a transfer of processes. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. A TE-internal release test based on the relevant part specifications will be executed before delivery. As part of the production move, we will start to ship ES2000 products from 21st March 2018 from the Trutnov & Shanghai facilities. After this date TE reserves the right to provide qualified products from any of the manufacturing locations during this transfer until the final closure date of Menlo Park location by the end of 2019. As not all part numbers will transfer at the same time customers may still receive products from the Menlo Park location after this transfer date due to the inventory we will carry to allow this transfer to happen and to minimize impact to our tubing customers.

Impact of Change:Manufacturing location change

Key Dates:

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
