

06-Apr-2018

PCN #:P-18-015422

Subject:TERMINALS & SPLICES SERIES

Description of Change: In order to improve product delivery time and more eco-friendly. we will replace sponge with a relatively eco-friendly bubble wrap. It will take us at least one year to complete the switch. During this time, you may be exposed to both sponge and bubble wrap packed products.

Reason: Part status change.Sponge is not environmental product. It produces environmental pollution and difficult to recycle. It is highly flammable and can cause deadly toxic gases when burning. At the same time, sponges are getting harder to buy due to the government's annual environmental inspections. Sometimes seriously affected our supply. So we will change to bubble wrap to avoid late delivery. The action is executed following a strict procedure, which guarantees no negative influence on quality, ability to supply and form/fit/function of the concerned products. All test was finished which guarantees the performance

Impact of Change:form - fit - function

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
