PCN #:P-18-015743

Subject:Manufacturing internal relocation

Description of Change: Manufacturing internal relocation. TE is performing a change in the production place in our existing TE -plant in Bragan a Paulista- SP. T&C assembly and Small Press lines will be internally relocated to part of our Warehouse area.

Reason: With this PCN we hereby inform you that TE is performing a change in the production place in our existing TE-plant in Bragan a Paulista-SP. This enhancement is required to assure the availability of the appropriate manufacturing area for growing demands and to meet all customer s expectations. The established VS of T&C [Terminals and Connectors] Assembly and Small Press lines will be internally relocated into part of our current Warehouse area. And also the goods receiving process will be transferred to our Distribution Center in Itatiba-SP. This movement will not impact manufacturing technology nor current production process or staff. The related part/process approvals will be done in accordance with internal TE standards and upon request, customer requirements.

Impact of Change:Manufacturing location change

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary

from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
