

07-May-2018

PCN #:E-18-006766

Subject:CPC Connectors

Description of Change: Add laser marking as an option to mark the part number, date code, country of origin and cavity identifications to the housings as needed.

Reason: Product Improvement. The markings are currently applied using ink stamping. The laser marking option has the advantage of being more permanent and easier to apply than ink.

Impact of Change:form - fit - function

Key Dates:

Contact By Date:15-Aug-2018

Implementation Date:15-Aug-2018

Product Affected

796286-1

796291-1

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the

TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
