PCN #:P-18-015957

Subject:HDSCS REC HOUSING AND TAB HOUSING

Description of Change: Duplication of molding tools (except silicon mold tools) in TE China/ Suzhou plant for automated assembly process in order to respond to demand increase.

Reason: Part status change. Dear Customer, we hereby inform you about a tool duplication of Tools. The duplication follows a strict procedure, which fully maintains Quality, ability to supply and form-fit-function of the concerned products. The manufactured location operates under a certified Quality Management System in accordance with standard automotive requirements. A TE-internal release test based on the relevant part specification will be executed before delivery. Upon request, a PPAP Level 1 will be available if it concerns a component of a TE-product. If you require such a PPAP, please notify the responsible TE Sales Content within 14 calendar days after receipt of this PCN.

Impact of Change:form - fit - function

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
