

18-Aug-2018

PCN #:P-18-016216

**Subject:**Ampseal 16 Connector Components

**Description of Change:** Manufacturing location change. To continue improving the delivery of Ampseal 16 connectors, we will be relocating four AS16 component molds to another TE facility located in Hemet, California/ USA temporarily. The temporary relocation will occur over the next 6 months, returning to the ICT Plant in Empalme, Mx. These simple molded components will facilitate the fabrication of the assemblies listed below. This change is effective immediately.

**Reason:** Dear Customer, we hereby inform you about a transfer of tools and/or processes. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard automotive requirements. If you require a PPAP, please notify the responsible TE Sales Contact within 14 days after receipt of this PCN.

**Impact of Change:**Manufacturing location change

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
