

06-Sep-2018

PCN #:E-18-014053

Subject:770520 AMPSEAL Terminal, 770854 AMPSEAL Terminal

Description of Change: TE has built a new die and the marking on the terminal is changing from AMP to TE1 and TE2. TE1 is for the existing die and TE2 is for the new die. The drawings are being updated to show this change

Reason: Product Improvement. The marking on the terminal is being changed to differentiate product being produced on multiple dies. This change will enable TE to better help the customer in the event of a product use or manufacturing issue

Key Dates:

Contact By Date:17-Sep-2018

Implementation Date:17-Sep-2018

Product Affected

770520-3

770854-3

770520-1

770854-1

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
