

06-Sep-2018

PCN #:E-18-013333

Subject:DEUTSCH Rubber Boots Alternate Supplier

Description of Change: The Industrial and Commercial Transportation (ICT) business unit of TE Connectivity (TEC) intends to add alternate supplier(s) for the part number(s) listed below. We hereby reserve the right to use multiple suppliers to support production demands. This change is being phased-in gradually over the next 9 months. Previous revision can remain in stock until use. If you require a PPAP, please notify your responsible TE Sales Contact within 14 days after receipt of this PCN. A Level 4 PPAP will be provided upon request.

Reason: Dear Customer, we hereby inform you of this change as part of our aggressive continuous improvement efforts on delivery. The transfer follows a strict procedure, which fully maintains quality, ability to supply fit, form, function of the concerned product(s). The new manufacturing location operates under a certified quality management system in accordance with standard automotive requirements.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
