Subject: Change in upstream process location for TC-CAPS

Description of Change: This notification is to inform of upstream processes of extrusion and irradiation for TC Cap manufacture also moving to Shanghai China from our plant in Menlo Park USA.

Reason: Dear Customer, we hereby inform you about a transfer of upstream processes. TC Caps have been delivered to our customers from our manufacturing location in Shanghai, China for many years. This upstream process location move is implemented immediately. Fit Form and Function of the product does not change. If you require a PPAP or specific testing please inform us within 90 days of receiving this notification so we can coordinate the documentation and support your requirements. This should be requested from your local customer care representative.

The dates on the product change notification (PCN) are best estimate dates

determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
