

09-Oct-2018

PCN #:E-18-013003

Subject:AMPSEAL seal plug 770678

Description of Change: A new 16 cavity mold for the AMPSEAL seal plug is being built and qualified to replace the current mold that has reached its end of life. The new mold will be ran at a qualified TE facility in the US

Reason: This product line has seen extensive demand increases from our customer base which has slowed delivery. TE is investing to ensure that the current situation is corrected consistent with our goal of on-time delivery of defect free products

Key Dates:

Contact By Date:07-Jan-2019

Implementation Date:07-Jan-2019

Product Affected

770678-1

(Alias Part Numbers:

"EG9736-000"

"AMP-0-0770678-1")

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
