

15-Jan-2019

PCN #:P-19-016789

**Subject:**Tubing products impacted by new Prop 65

**Description of Change:** This PCN is to inform our customers of additional labelling on some Tubing products. The requirements of the Proposition 65 (Prop 65) a Californian Safe water and Toxic Enforcement Act of 1986 now requires that we warn customers that some of our tubing products contain Antimony in the material make up. This requirement only applies to customer in California. However, as TE cannot predict which products will arrive with customers in California we have to label all Antimony containing products, of course these products will be delivered also to customers outside of California. No Action needs to be taken by our customers outside of California unless the products you receive are directly being forwarded through the supply chain to further customer in California USA in which case the warning must accompany the product. Please share this information with your colleagues so they will also be informed.

**Reason:** Product [improvement.To](#) comply with Californian Prop 65 regulations.

**Key Dates:**

**Contact By Date:**16-Jan-2019

**Implementation Date:**16-Jan-2019

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
