PCN #:P-19-016972

Subject:AMP MCP 2.8 SOCKET HSG.,15/21/29 POS.ASSY

Description of Change: Dear Customer, we hereby inform you about a tool duplication of assembly tool for below listed part numbers.

Reason: Customer [Request.As](#) result of our continuous strive for capacity increase of our production, we hereby inform you upfront about a new tool, which is constructed meeting all specification requirements to cover increasing market demand and which will run in the TE ICT Plant Tangier. Please consider this PCN as an update of PCN P-16-013797, distributed on 03-NOV-16. The required process- & product releases and evaluation will be conducted according TE requirements from the responsible product engineering. Additionally, we confirm that the manufacturing process (sequence, material, etc.) will remain unchanged. Upon request, a PPAP Level 2 will be available if it concerns a finished TE product. If you require such a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN.
