**PCN #:**P-19-017007

**Subject:**Manufacturing Location Change of ES1000 tubing products for customers in Asia

**Description of Change:** Manufacturing location change. This notification is to inform our customers that TE Connectivity will be manufacturing ES1000 tubing products in both our Trutnov and Shanghai facilities. This will enable TE to better serve our customers in Asia and create capacity in our Trutnov plant ready for further growth. The part number list attached shows you the ES1000 products that are affected.

**Reason:** Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you that TE Connectivity will be manufacturing ES1000 tubing products in both our Trutnov and Shanghai facilities. The transfer is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance. We will start to ship ES1000 products from the TE Shanghai facility after 6th June 2019.
