

10-May-2019

PCN #:E-19-006761

Subject:DEUTSCH DT Series Mods (PXXX, RTXX, EXXX) Component(s)
Supplier Change

Description of Change: The Industrial and Commercial Transportation business unit of TE Connectivity is transferring component(s) used in assemblies of the following part number(s) from one supplier(s)/TE location to other supplier(s)/TE location as described in the attachment. These affected part number(s) are TE proprietary designs, therefore considered catalog/general market product. PPAP and/or sample requests must be submitted via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request.

Reason: Dear Customer, we hereby inform you of this change as part of our continuous improvement efforts on delivery. The change will not impact connector performance. **IMPORTANT:** The current and previous revisions of these parts can be used interchangeably in the field. The change(s) are being phased in gradually and previous revision can remain stocked until use. Shipments of both configurations may be mixed.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
