PCN #:E-19-007381

Subject:DEUTSCH HD30 16/21pin, CE 37pin, DTV 18pin grommets, size 4 sealing plug, supplier change and new tooling

Description of Change: The Industrial and Commercial Transportation business unit of TE Connectivity is transferring grommets, sealing plug of the following part number(s) from approved supplier in Tijuana, Baja California (MX) to alternate approved suppliers in Tijuana, Baja California (MX) and Twinsburg, Ohio (USA). Also, part of this transfer will be new molds to support production. These PNs are TE proprietary designs, therefore considered catalog/general market product. TE reserves the right to move tool back to prior location/supplier based on business need. PPAP and/or sample requests must be submitted within 14 days of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request. If PPAP requested, disposition response is required within 14 days of submit date or it will be considered approved.

Reason: Dear Customer, we hereby inform you of this change. This change is necessary to meet on time product shipments. The change and added tooling will not impact connector performance. **IMPORTANT:** The current and previous revisions of these parts can be used interchangeably in the field. The change(s) are being phased in gradually and previous revision can remain stocked until use. Shipments of both configurations may be mixed.
