

29-May-2019

PCN #:E-19-007593

Subject:DEUTSCH CE Series Panel Nuts and HDC34 protective covers component supplier change

Description of Change: The Industrial and Commercial Transportation business unit of TE Connectivity is transferring component(s) of the following part number(s) from San Fernando, CA, USA to Queretaro, Queretaro, Mexico. These PNs are TE proprietary designs, therefore considered catalog/general market product. TE reserves the right to move tool back to prior location/supplier based on business need. PPAP and/or sample requests must be submitted within 14 days of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request. If PPAP requested, disposition response is required within 14 days of submit date or it will be considered approved.

Reason: Dear Customer, we hereby inform you of this change. This change is necessary to meet on time product shipments. The change will not impact connector performance. **IMPORTANT:** The current and previous revisions of these parts can be used interchangeably in the field. The change(s) are being phased in gradually and previous revision can remain stocked until use. Shipments of both configurations may be mixed.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
